

Advisory Chairs

Xinghuo Yu (Australia)
Yang Shi (Canada)
Changyun Wen (Singapore)
Yajun Pan (Canada)
Zhihong Man (Australia)
Ying Tan (Australia)
Paolo Montuschi (Italy)
Giuseppe Carbone (Italy)
Shihua Li (China)

General Chairs

Hai Wang (Australia)
Chen Lv (Singapore)

General co-Chairs

Shuping He (China)
Liqing Chen (China)
Shihong Ding (China)

Program Chairs

Sheikh Izzal Azid (Australia)
Shanhe Lou (Singapore)
Baolin Zhang (China)
Xiangyu Wang (China)
Tianhong Pan (China)

Finance Chair

Farhad Shahnai (Australia)
Tao Hu (Australia)

Special Session Chairs

Xinan Zhang (Australia)
Erkan Kayacan (Singapore)
Jianchen Hu (China)
Shuiqing Xu (China)
Jun Song (China)

Publication Chairs

Zheren Zhu (China)
Zifan Lin (Australia)
Zirui Li (Singapore)
Jianwei Zhao (China)
Xue An (China)

Publicity & Exhibition Chairs

Herbert Ho-Ching Iu (Australia)
Amirmehdi Yazdani (Australia)
Yueying Wang (China)
Zhenghua Zhou (China)
Chengcheng Ren (China)

Registration Chairs

Yanyan Yin (Australia)
Tianhao Qie (Australia)
Edi Kurniawan (Indonesia)
Zhe Sun (China)

Students Activity Chairs

Lan Wu (Australia)
Zhaowu Ping (China)
Hui Zheng (China)

Best Paper Award Chairs

Xiaozheng Jin (China)
Haiyu Zhu (Singapore)
Boda Ning (New Zealand)
Jiankun Sun (China)

Industrial Liaison Chairs

Mark McHenry (Australia)
En Fan (China)

Tutorial Chairs

Le Yao (China)
Fangyi Zhang (Australia)
Jinlin Sun (China)
Yongquan Zhang (China)

Conference Secretaries

Yinan Wang (Australia)
Nuo Chen (Australia)
Nashit Sandhu (Australia)
Weidi Cheng (Australia)
Jiyu Zhu (Australia)
Yaozong Shen (Australia)

2026 The 3rd International Conference on Advanced Robotics, Control and Artificial Intelligence (ARCAI 2026)

CALL FOR PAPERS

November 22-26, 2026, Singapore

The 2026 International Conference on Advanced Robotics, Control and Artificial Intelligence will be held in Singapore, November 22-26, 2026. It is co-organised by **Murdoch University** and **Nanyang Technological University**. It provides an international premier forum for leading academic scientists, researchers and engineers to exchange and present latest research developments and outcomes on all aspects of ARCAI. Particularly, it not only welcomes those emerging methodologies and techniques which bridge theoretical studies and applications in all ARCAI systems, but also includes the practical concerns and challenges encountered and potential solutions in the fields of ARCAI. High quality papers are solicited on all aspects of research and application, including but not limited to:

- | | |
|---|--|
| <ul style="list-style-type: none"> • Robotics and Mechatronics • Advanced Modelling, Design, and System Identification • Control Theory and Applications • Fault Diagnosis and Reliable Control • Robot Vision, Navigation, Guidance & Control • Multiple Robots and Networked Robots • Human-robot Interaction and Human Centered Systems • Artificial Intelligence & Applications • Machine Learning & Deep Learning | <ul style="list-style-type: none"> • Automation and Control Systems • Motion Control and Instrumentation • Sensors and Actuators • Autonomous Systems and Vehicles • Renewable Energy and Smart Grid • Power Systems & Power Electronics • Production & Manufacturing Systems & Applications • Cyber-physical Systems & Bioinformatics • Information and Networking Systems • Internet of Things & Digital Twin • Computing Intelligence & Big Data |
|---|--|

Submissions and Publications

Papers should describe original and unpublished work about the above or related topics. Accepted and presented papers will be published in conference proceedings, as the Springer Lecture Notes in Networks and Systems, which are indexed by Ei Compendex and Scopus (ARCAI2024 and 2025 proceedings have been formally published by Springer). Instructions for preparation and electronic submission will be available on ARCAI2026 website. Please also note that abstract submission is accepted.

Best Paper Awards and Student Travel Grants

Best Paper Awards will be presented during the conference. Recipients will be selected by the Award Committee based on the technical quality of the paper and the quality of the author's on-site presentation.

A limited number of Student Travel Grants will also be available to support outstanding student authors, subject to sponsorship and conference resources. Further details on eligibility and the application process are given on the conference website.

Please note that award and grant winners must be physically present at the conference gala dinner to receive their awards and grants.

Important Dates:

Special Session and Tutorial Proposal Submission

June 22, 2026

Special Session and Tutorial Notification

June 25, 2026

Full Paper/Abstract Submission Due

July 31, 2026

Acceptance Notification

August 3, 2026

Early-bird Registration Due

August 20, 2026

Camera-ready Paper Submission

August 30, 2026
